Maulana Azad Library

Project Cost - Rs 60,000.00

Library setup in a remote village, Deoria, Darbhanga, Bihar. The idea was to establish a library in a marginalized, underprivileged, and backward village. A place where everyone cannot afford a decent livelihood and good education. The initiative was taken by a young University graduate girl from the same village. The library consists of textbooks for underprivileged children and daily newspapers (Hindi & Urdu). In addition to that the initiative also help Students by enrolling them in schools.

Darul Aman Welfare Society - Computer lab at Amaan School Gaya, Bihar.

Project Cost - Rs 7 Lakhs

Darul Aman Welfare Society since its foundation has been continuously striving to make its dream come true. Society is well known in the Gaya region for its welfare works in the city, and for standing with the poor in the times of need. Society's work ranges from Education to Health Centre, Relief and Missionary Works.

In the April 2013, Society founded Madarsa Darul Amaan, and Darul Aman Public Society. Around 240 students are registered in the school, and around 60 have already passed. The Abr Foundation granted fund to the organization for building expansion and establishment of computer Centre. The project has been successfully completed.
